Internal Audit Report

(to be read in conjunction with the Annual Internal Audit Report in the Annual Governance and Accountability Return)

Name of council:	Sibbertoft Parish Council		
Name of Internal Auditor:	Kate Houlihan	Date of report:	29 04 2022
Year ending:	31 March 2022	Date audit carried out:	29 04 2022

Internal audit is the periodic independent review of a council's internal controls resulting in an assurance report designed to improve the effectiveness and efficiency of the activities and operating procedures under the council's control. Managing the council's internal controls should be a day-to-day function of the council through its staff and management and not left for internal audit. It would be incorrect to view internal audit as the detailed inspection of all records and transactions of a council in order to detect error or fraud. This report is based on the evidence made available to me and consequently the report is limited to those matters set out below.

The council is required to take appropriate action on all matters raised in reports from internal and external audit and to respond to matters brought to its attention by internal and external audit. Failure to take appropriate action may lead to a qualified audit opinion.

To the Chairman of the Council:

Following my interim report to council in March 2022, I completed the final audit for the year remotely. I examined documents on the council's website and reviewed the council's accounts, year-end bank reconciliation, VAT return, and asset register. I then spoke with the Clerk who was able to answer any queries I had.

I am pleased to note that the council's VAT reclaim has been submitted. The asset register is up to date and differences to the prior value explained. The accounts have been prepared on the correct receipts and payments basis. I note that the council doesn't use petty cash.

My thanks to the Clerk for her time during the audit and I wish the council a successful year for 2022-2023.

Yours sincerely,

K Houlihan
